interests

Audio storytelling
Data journalism

Northwestern University Knight Lab | Fellow | Sept. 2014-Present

- Explored the possibilities of online storytelling by collaborating on design and data projects.
- Promoted the Lab by facilitating Open Lab Hours and giving lightning talks.
- Contributed to the Lab's editorial and social media content.

NPR | "Here & Now" and News Desk Intern | Sept. 2015-Present

- Pitched and produced (booked guests, cutting and mixing) two-ways that instilled empathy and cultural understanding in listeners for air.
- Ran the board for live and pre-taped interviews for "Here & Now."
- Conducted research for the All Things Considered series on the United Nations climate change summit in Paris.

The Indianapolis Star | Pulliam Fellow | June 2015 - Aug. 2015

- Covered neighborhood news, data stories and other feature and breaking news stories with the goal of serving the greater good of central Indiana.

Medill | Teaching Assistant | March 2015 - June 2015

- Promoted digital storytelling by teaching HTML, CSS and GitHub courses to undergraduate and graduate students in the Advanced Interactive Storytelling course.

WOUB Public Media | Intern | June 2014 - Sept. 2014

- Reported news and feature pieces for radio and web, including one audio piece on the relationships formed between cadavers and first-year medical students.
- Produced and anchored newscasts.

TEDx | Speaker Development Chair | Nov. 2014 - Present

- Served as the main liaison between 12 speakers and TEDxNorthwesternU by editing their talks for the ear. Helped speakers spread their ideas through constant revision and rehearsals.

North by Northwestern | Managing Editor | June 2014 - Dec. 2014

- Helped lead a team of student reporters and section editors in experimenting with online storytelling through brainstorm meetings, one-on-one meetings, copyediting and fact-checking.
- Founded "oNe," a weekly-online audio series.

Headliner | Student Assistant | Oct. 2013 - Dec. 2013

- Explored gamifying news consumption by assisting now-Washington Post director of strategic initiatives Jeremy Gilbert in developing "Headliner," an app that allows users to check into stories they consume.

The Athens NEWS | Freelancer | June 2011 - Sept. 2012

- Copyedited and published stories on a twice-weekly basis, producing over 30 stories overall, including one four-part series on socioeconomic and racial diversity in Athens, Ohio,

NU Gives Back | Co-President | October 2014 - June 2015

- Copyedited and published stories on a twice-weekly basis, producing over 30 stories overall, including one four-part series on socioeconomic and racial diversity in Athens, Ohio,
